

REMARKS

The present amended supplements the prior amendment filed on February 16, 2011.

Specifically, the present amendment to pending claims 30 and 32 are for the purpose of clarifying the recited indices. In this regard, since building blocks AB₂ are recited in each claim, then the index $m = 2$ so the expression of index m being between 2 to 4 is superfluous. Appropriate other changes have been made based on this fact.

The definition of index p in each of claims 30 and 32 has also been revised so as to be consistent with pending claim 29.

An early and favorable reply on the merits is awaited.

Fee Authorization

The Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140.

Respectfully submitted,

NIXON & VANDERHYE P.C.
